Dear Oasis Club members,

Effective today, Kuwait Airways Oasis Club will implement a No-Show fee of **5000 miles** for date changes on all Redemption tickets if the travel date on the ticket has passed i.e. after departure date of the first unused sector on the ticket.

The No- Show fee is applicable to ALL Oasis Club members including Platinum and Gold. In Case of Platinum & Gold members, the date change exemption is only applicable if done before departure date of the first unused sector on the ticket.

Only in the scenario that member doesn't have enough miles and unable to purchase miles due to system issue the amount of 45 KD or equivalent will be collected as No-Show charges

Please change the date on your tickets before the flight departure to avoid the No-Show fee

Kind regards,

Oasis Club team
